5 Year Warranty

SCOPE OF WARRANTY

Focus Digital Displays LLC warrants its LED displays and all provided manufacturer parts for a period of five (5) years from defects in materials and workmanship. Focus Digital Displays LLC will replace or repair any failed component with the necessary part and factory labor without cost to the buyer. Repaired or replaced parts provided within the original warranty period will have the same limited warranty for the balance of the original limited warranty period. Parts replaced outside of any warranty period shall have a limited warranty period of six (6) months from time of shipment covering defects in materials and workmanship.

Equipment damaged due to accident, neglect, misuse, abuse, natural or man-made disasters is not covered by this warranty

WARRANTY SERVICE

Warranty service is expressly conditioned on Focus Digital Displays LLC's prior receipt of all payments due under original purchase agreement. Buyer is responsible for contacting Focus Digital Displays LLC Technical support staff prior to any alteration or service. Warranty shall be void if any alteration of service is performed without written approval from Focus Digital Displays LLC; or if the equipment has been connected to improper power or is improperly grounded. Focus Digital Displays LLC will pay for outbound ground shipping as well as return ground freight for items repaired/replaced for manufacturer parts installed in the continental US.

Focus Digital Displays LLC shall not be liable for any special, direct, commercial, exemplary, indirect, incidental, or consequential damages or punitive damages, or damages for loss of use, loss of anticipated profits, income, or economic losses of any kind.
